- Good knowledge of DBMS and SQL.
- Basic knowledge of machine learning and cloud computing.
- Good knowledge of Data structures and Algorithms

CERTIFICATIONS

- Gate Qualified 2024

LANGUAGES

- English
- Hindi
- Assamese

PROFESSIONAL EXPERIENCE

Academic Internship

Jorhat Engineering College • Jorhat, Assam
07/2023 - 08/2023

Our academic internship has helped us get a shallow insight on machine learning, it also improved our report writing, presenting skills and also teamwork.

Social Internship

Ideal Abhijan • Jorhat, Assam
07/2022 - 08/2022

It involved us in taking surveys from people in our locality on the problems they are facing in their day-to-day lives and to work towards finding suitable solutions for their problems. This helped us improve our people skills and team work.

Mini Project

Jorhat Engineering College| 2024
- Made a Algorithms Visualizer project, it visualizes the various algorithms in related to computer science.
- It involved the use of react framework for front end.
- Knowledge of various algorithms and data structure for its implementation.
- Link to the project repository https://github.com/AiseYu/AlgorithmsVisualizer.
